Dear Diane

Augustus Mineral Limited (**ASX: AUG**) (**Augustus** or the **Company**) refers to the ASX Aware Query letter dated 12 December 2025 and ASX email dated 22 December 2025 (**Aware Query**).

The Company provides the following comments in response to the Aware Query:

1. **Did AUG despatch any supplementary meeting materials (including an updated proxy form) to shareholders in relation to the proposed election of the New Director at the Meeting?**

No.

2. **If the answer to question 1 is 'yes', please advise when the supplementary materials were despatched to shareholders and if (and when) they were released on MAP.**

N/A.

3. **If the answer to question 1 is 'no', please explain why supplementary meeting materials were not despatched to shareholders or released on MAP in relation to the proposed election of the New Director at the Meeting. In responding to this question, please comment specifically on why AUG did not provide security holders with a proxy form including the proposed election of the New Director prior to the Meeting.**

On 14 November 2025, the date of the New Director's appointment, the Company released an announcement setting out the information required under ASX Listing Rule 3.16.4, including the New Director's qualifications and experience (**New Director Announcement**). Given that the New Director Announcement included the New Director's qualifications, experience, and ASX Listing Rule 3.16.4 information, no supplementary information was considered necessary. Further, Section 250R of the Corporations Act 2001 (*Cth*) (**Act**) provides that the business of an AGM may include the election of directors, even if not referred to in the notice of meeting.

Proxy form instructions must be received by the Company's share registry no later than 48 hours before the AGM. Given that the New Director was appointed 2 business days before the AGM, it was not feasible to dispatch any revised proxy form.

4. Does AUG consider that all material information in its possession relevant to a shareholder's decision whether or not to elect the New Director at the Meeting had been disclosed to the market before the Meeting? Please explain the basis of AUG's view.

Yes. Refer to the New Director Announcement.

5. Did the election of the New Director at the Meeting comply with the provisions of clause 15.3 of AUG's Constitution?

N/A. Clause 15.3 does not apply because there was no shareholder nomination or director election process initiated under that clause. The New Director was not nominated for election as prescribed by clause 15.3 of the AUG Constitution. Rather, the New Director was appointed by the current Company directors as an addition to the board under clause 15.4. In accordance with AUG Constitution, section 201H(3) of the Act, and Listing Rule 14.4, the New Director holds office only until the next annual general meeting. Furthermore, Section 250R of the Act stipulates that the business conducted at an annual general meeting may include the election of directors, irrespective of whether such business is specified in the notice of meeting.

Accordingly, the resolution to elect the New Director (**Resolution 9**) was presented to shareholders in compliance with all relevant rules and regulations.

6. If the answer to question 5 is 'yes', please advise the basis upon which AUG considers the election of the New Director complied with the provisions of clause 15.3 of AUG's Constitution.

N/A.

7. If the answer to question 5 is 'no', please explain why AUG did not comply with the provisions of clause 15.3 of AUG's Constitution.

N/A.

8. Did the Executive Chair cast the Executive Chair Shares in favour of the election of the New Director at the Meeting?

Yes. However, the Company does not consider this to be a relevant question given that the Executive Chair is not precluded from voting on the resolution and was not the only shareholder that voted for the re-election of the New Director. If the Executive Chair abstained from voting on this resolution, the resolution to elect the New Director would have still passed on the basis that all other votes on that resolution were cast in favour. The Company refers to the announcement dated 18 November 2025 where all information required under the ASX Listing Rule 3.13.2 and section 251AA of the Act has been disclosed.

9. If the Executive Chair cast the Executive Chair Shares in favour of the election of the New Director, does AUG consider that the resolution to elect the New Director would have been passed at the Meeting if the Executive Chair's votes were disregarded? Please provide the basis of AUG's view.

Refer to the answer to Question 8.

10. Please explain why no proxy votes were cast at the Meeting on the resolution to elect the New Director.

No proxy votes were received. Refer to the answer to question 3 above for further details.

---

**11. Did AUG comply with its corporate governance policies (as outlined in its 2025 Corporate Governance Statement – see paragraph G above) in relation to the appointment and subsequent election of the New Director, respectively?**

Yes.

**12. If the answer to any part of question 11 is ‘yes’, please advise how AUG considers that it complied with its corporate governance policies in relation to the appointment and election of the New Director, respectively.**

Refer to the Company answers to questions 3 and 4 above with respect to the information provided to security holders. The Company completed appropriate checks before appointing the New Director.

**13. If the answer to any part of question 11 is ‘no’, please explain why AUG did not comply with its corporate governance policies in relation to the appointment and election of the New Director, respectively, and provide details of the non-compliance.**

Refer to the Company’s answer to question 12 above.

**14. Noting the requirements in Listing Rule 14.2.1 for a proxy form to provide for security holders to vote for, against or abstain on each resolution, does AUG consider that the proxy form accompanying the Notice of Meeting complied with Listing Rule 14.2.1? Please provide the basis of AUG’s view.**

Yes. The notice of meeting and proxy form were dispatched on or about 20 October 2025 and complied with Listing Rule 14.2.1.

Resolution 9 was put to shareholders in accordance with section 250R of the Act and clause 15.4 of the AUG Constitution.

Refer to the Company’s answer to question 3 for further details in respect to proxy voting.

**15. Noting the requirements of Listing Rule 14.4, please explain why AUG proceeded with the New Director Appointment shortly before the Meeting (and after the release of the Notice of Meeting and accompanying proxy form)?**

Listing Rule 14.4, together with section 201H(3) of the Act, formed the basis for including Resolution 9 in the agenda of the Meeting. The inclusion of this resolution was necessary to ensure adherence to the relevant legal and regulatory requirements governing director appointments.

The Company proceeded with the appointment of the New Director within a timeframe that was mutually agreed upon by both parties. This appointment occurred shortly before the scheduled Meeting. The decision to act promptly was motivated by the Company’s view that any delay could jeopardise the opportunity to secure a highly experienced industry expert for the board.

The Company confirms that no material resolutions were passed between the date of the New Director’s appointment and the date of the Meeting.

**16. Please confirm that AUG is in compliance with the Listing Rules and, in particular, Listing Rule 3.1.**

Confirmed.

**17. Please confirm that AUG's responses to the questions above have been authorised and approved in accordance with its published continuous disclosure policy or otherwise by its board or an officer of AUG with delegated authority from the board to respond to ASX on disclosure matters.**

Confirmed.
